1-10-31 Nakano, Morioka,
Japan 020
(phone: 0196-52-4673)

*This tape was edited by ONNYK.

"All the pieces on this tape are semi-complete or in-complete: if you want to remix or over-dub them, please do it and let us listen to your new versions. If we take interest in your works, we'd like to include them on the next 5th Column Tape. (Some of previous 5C Tapes include the works of that kind.)"
